Preparing for your Special Day...

Selecting the venue for your wedding reception is a major part of your wedding preparations and we at the Errigal Hotel will be happy to show you around our facilities at a time suitable for you. You will be met by one of our wedding coordinators who will spend as much time as you need escorting you around our facilities, explaining how things will run on the day – room layout etc. – talking you through the various menu options, table settings, as well as answering any questions you may have.

If you have any special or specific requirements regarding any aspect of your day we will be happy to assist and accommodate you.

On the Day...

From the moment you step on to the red carpet, you will experience the true dedication of a team with only one thing on their mind – you, your guests and the success of the most memorable day in your life...

As your guests arrive they will be greeted by a member of our management team and offered complimentary refreshments.

A complimentary Champagne reception will await the newly-weds and their bridal party

A member of the wedding team will be on hand through the service of the meal to keep things flowing smoothly and once the meal has been served they will be there to guide you through the speeches.
